www.ques.rentals

Dear customer,

Thank you for considering Ques as your AV rental partner.

Since 1990 Ques has been supplying light, sound, video and rigging equipment for professional use. Every day our team works hard to be the most reliable partner for event organizers, festivals, live entertainment, corporate events and rental companies.

We select our materials with the utmost care and make substantial investments every year to keep our material bank up to date. With Ques as your rental partner you can rest assured to be provided with state of the art materials at competitive prices. In addition to AV materials, we offer extra services such as transportation, long term lease and technical support. Our custom mechanics team can even provide custom built solutions based on your needs.

Due to the ongoing investments, this catalogue will permanently be updated. Please check our website www.ques.rentals regularly for the most recent version of our catalogue and new materials

From our office in Meerhout (Belgium) we offer you a personal, flexible and professional service. Feel free to ask us anything!

If you would like more information, please do not hesitate to contact one of our account managers.

Kind regards,

Your Ques team

The Evolution Wireless Digital Series

Evolving with you.

Not all wireless is created equal. Audio professionals can encounter challenges using traditional RF technology, but with Evolution Wireless Digital, fundamental limitations of wireless systems are resolved using new technology that is nothing short of groundbreaking. With the EW-DX line, there will be even more professional features for nearly any budget or application.

Discover why EW-DX is the future of wireless. Visit sennheiser.com/ew-dx to learn more about the latest members in the Evolution Wireless Digital series.

A large, ornate crystal chandelier is the central focus, hanging from a tent ceiling. The chandelier is multi-tiered, featuring numerous clear crystal prisms and teardrop-shaped crystals. It has several candle-style light bulbs. The tent's interior is decorated with large floral arrangements in shades of gold and brown. Two stage lights are visible at the bottom of the frame, pointing upwards. The overall atmosphere is elegant and festive. A solid purple circle is in the top left corner, and a thin purple arc is at the bottom center.

Deco

1. Miscellaneous

Services

Transport

Would you prefer us to arrange transportation of the materials to a location of your choice? No problem. We have a fleet of cars, delivery vans, trucks and trailers which allows us to organize transportation at competitive rates.

Let's discuss what works best for you regarding your schedule, planned rehearsals and show date(s).

Custom mechanics

Do you need custom event materials? Ques has its own workshop for metal and woodwork. We've been creating solutions for over 30 years that can withstand the harshest conditions on the road and on stage.

Short as well as long term lease

Whether you need AV materials for one show or a series of events, we are happy to help. Each request is treated personally by one of our account managers who will make you a personal offer depending on your requested equipment and duration

General terms

Prices in this catalog are prices per day, per unit, unless stated otherwise. Prices and all other amounts stated in our communications and documents are always exclusive of VAT. Prices are subject to change without prior notice.

No rights can be derived from this catalogue. On www.ques.rentals you can always find the most up-to-date version of the catalogue. Ques does not accept liability for incorrect spelling, printing errors (including prices), incorrect manufacturers' specifications or changes in any product in this catalog or on the website.

Our general terms and conditions apply to all agreements between you and Ques.

How to rent

1. YOU REQUEST

Tell us which materials you need. Please provide the specific type of equipment and the amount.

Don't forget to specify which cables and accessories you need.

Let us know how long you would like to rent the selected materials.

Please note: equipment will be available for pick up after 12:00 am and will have to be returned before 12:00 am on the day following the last day of the rental period unless agreed otherwise.

2. WE WILL MAKE YOU AN OFFER

Quote

All quotes contain a price calculation without reservation of any equipment so changes can still be made. Quotes are valid for 7 days. As soon as you confirm a quote, we shall check the availability of the equipment and send a confirmation of the equipment

Option

When a price calculation contains an option period, the equipment shall be kept available to you as an option until a particular date. Option periods can be discussed with our account managers. When the option period expires, equipment will no longer be reserved for you.

Order

Once you approve an offer, sign it and return it to us by email. After we have confirmed, whether before or after the expiration date, your order will be binding. An order can only be changed in consultation with your account manager.

Cancellation

If you want to cancel a confirmed order or a quote, please do so in writing with acknowledgement of receipt. Depending on the time between the date of receipt of the cancellation and the start of the rental period a cancellation fee can be charged.
